We are family ♦ ♦ ♦

"To me St. Stanislaus is a family by always being there for me. When I need help, they are there. When I am in trouble, they help me to understand why I am in trouble. When I am having problems, they help by counseling me. So I say, 'Thank you'."

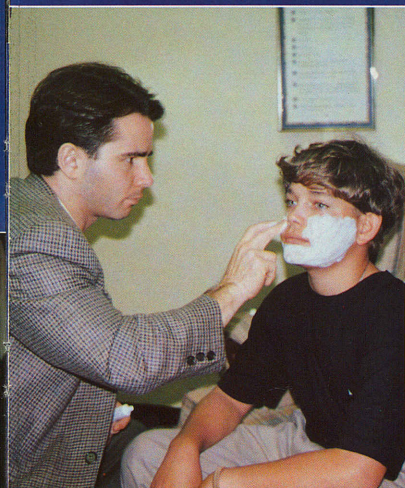

Bradley Lacoste

"St. Stanislaus is one body with many parts, as we are in Jesus. We must all stick together for the one body to work smoothly. If one part fails, we must help that part and then continue our life-long journey to Jesus's kingdom."

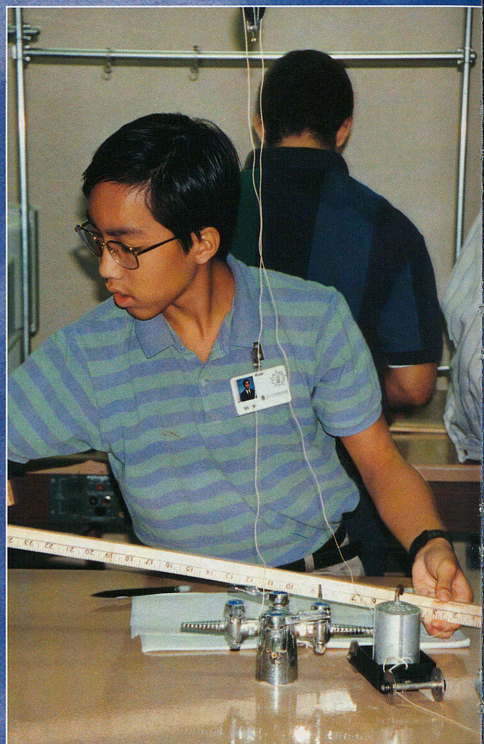

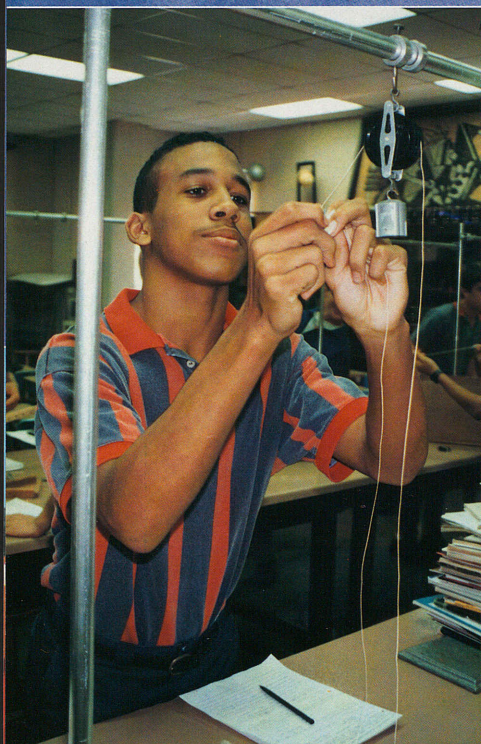

Stephen Dardar

"I live here at St. Stanislaus and enjoy every moment of it. I may sometimes get angry with my teachers, room-mates, or prefects, but I still love them. St. Stanislaus is like my second family. Sometimes I leave home angry and frustrated; but when I get to St. Stanislaus, everything changes. At St. Stanislaus people like you no matter what color, race, religion, or ethnic background."

Sarmad Azhar

"St. Stanislaus is not just family; it is home. For those of us who have been here since 6th grade, it is the home away from home that some of us have dreamed of. Some might trash the school and dorms, but those are the ones who don't see and appreciate what it has to offer and what it has offered for the last 142 years. St. Stanislaus is the place for those who want friends and friends for life. That is family."

Tony Gallo

Opposite page, top, Joel Lansen contributes his talents to many family gatherings; Center left, they also serve who have broken arms: Brandon Everett; right, the Cheerleaders; Lower left, Casey Swanson gives an interview after the State Championship game; right, Matt Holder with his parents at the Senior Appreciation Night. Student Council

The Student Council has devoted itself to communicating to the student body about changes that would affect them. Some of the projects that the Student Council has participated in this year are Homecoming, Brother Aubert Fishing Rodeo, the Navajo Indian missions in Arizona, school dances, and the Lenten Giving Fund raiser. The student body collected \$8,879.02 this year. This money will be given to several missions across the United States and the world to such places as Arizona, Biloxi, Bay St. Louis, Uganda, and Zambia.

Student Ministry is a year-long experience offered as part of the St. Stanislaus Campus Ministry Program. It is designed to build Christian leadership in its members and to enhance their personal and spiritual awareness. The student ministers come from the current senior class. They are students who have a desire to grow and a willingness to help others to grow.

Student Ministers work primarily with the 8th grade students. They help these boys to adjust to school life at SSC and offer to them structured opportunities where values and attitudes can be discussed. In this way, they enhance the personal, emotional, and spiritual growth of the 8th graders. They also participate in student retreats, preparation of school liturgies and special projects and needs as they arise.

Computer Club

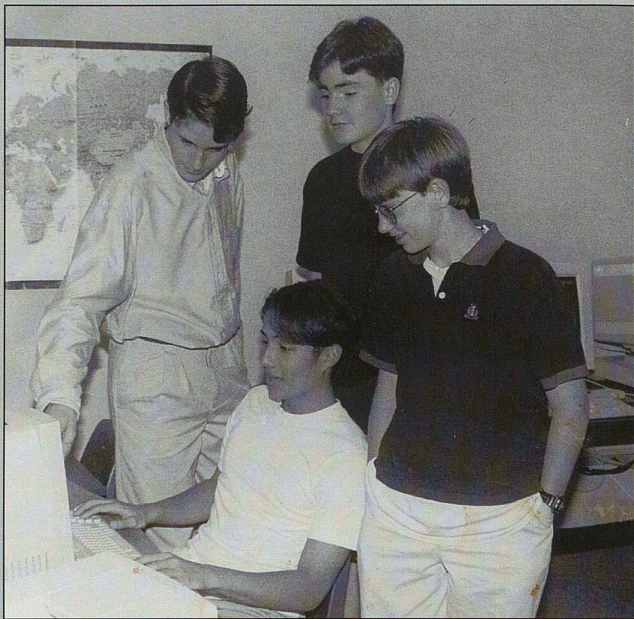

The Computer Club has been a service organization at times, providing concessions for soccer and baseball. These services are now provided by these sports' booster clubs. Service is now limited to providing the resource center monthly calendar.

The Computer Club has used special equipment in the past to silkscreen shirts for various other organizations. The club has often raised money to provide needed computer-related items for the classroom or faculty room.

The Computer Club meets at least twice a month and has quarterly socials for members that entail meeting at a restaurant in a relaxed atmosphere. Club activities are projected to envelope the Internet as the school facilities are upgraded to provide Internet service. Meeting times would be devoted to exploring the wealth of this technology.

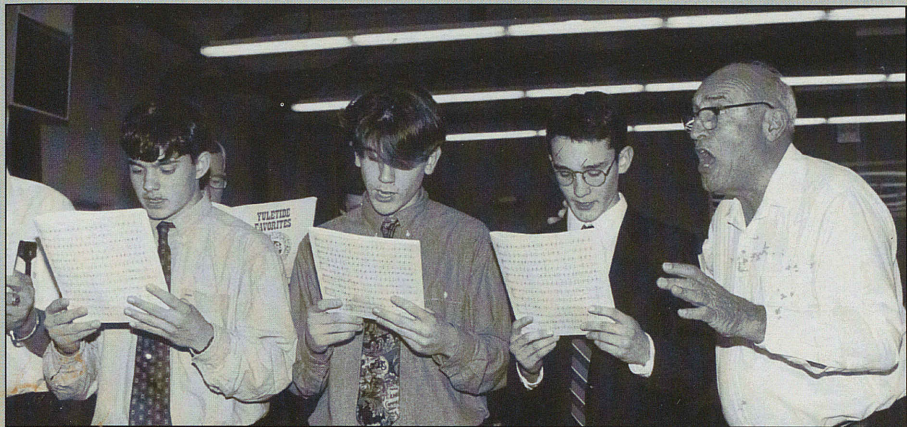

Computer Clubbers pay yearly dues of \$10 which covers the costs of their initial get-acquainted social. Membership is usually limited to a dozen participants which keeps the dynamics integrated. Returning members are allowed to vote on applicants who apply to fill vacant positions and are issued an invitation. A high grade-point-average is imperative for consideration.

The Computer Club is an application-oriented, users group. Clubbers do not get involved with programming.

During the year, club members attended five hamfests from Mobile, Alabama, to Lafayette, Louisiana. The highlight of the year was the School Club Roundup, a week-long, international, on-the-air contest. Schools try to contact as many other amateur radio stations as possible, especially other schools. This year the club tripled their score from last year.

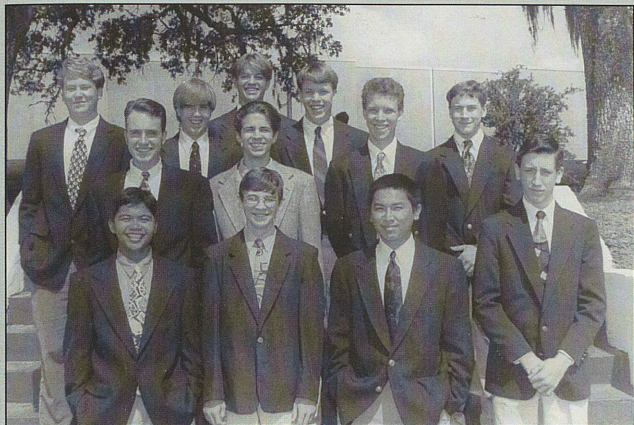

During the summer, members will continue to operate from their home stations. Some will participate in Field Day, the biggest contest of the amateur radio year.

Band

The St. Stanislaus High School Marching Band

The 1995-96 St. Stanislaus High School Band began this year with 60 members under the direction of Mrs. Catchie Choina and Ms. Jackie Davidson. This is Mrs. Choina's ninth year at SSC and Ms. Davidson's third. Mrs. Choina and Ms. Davidson have taught 18 and 35 years respectively and have received many honors throughout their careers. This year Mrs. Choina served as president of the Mississippi Woman Band Director's Association for the second year in a row.

As always, student leadership was an important part of our band program. Matt Holder was Drum Major for his third year, and Assistant Drum Major Leora Madden returned for her second year. Melinda Wiggins served as color guard captain for her fourth year, and was joined by co-captain Rebecca Wil-

liams. Dan Howard became percussion captain.

The band got started working during the summer with color guard camp, taught by Captain Melinda Wiggins and later with band camp, which was cut short by Hurricane Erin.

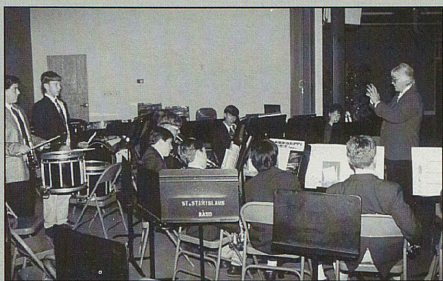

At the North Shore Magnolia Marching Festival in Slidell, the band earned the rating of "Superior" in the categories of overall percussion and color guard. The band and drum majors were awarded a rating of "Excellent."

The concert band also competed at the South Mississippi Concert Band Festival in Gulfport where they earned a "Superior" in sight reading and "Excellent" in concert competition.

The band had many non-competitive performances such as

the eight football games; SSC's Academic Competition for Excellence; Veteran's Day Parade; First Annual Mississippi Coast Coliseum Shoot Out; dedication of Our Lady of the Gulf Parish Center; Annual Christmas Concert; Krewe of Olympia in Covington; Krewe of Nerieds in Waveland; and the Annual Spring Concert.

Individual members represented our band and school with their talent as well. Raymond Tracy and David Webb attended the University of Southern Mississippi All South Honor Marching Band; Blaine Griffith participated in the Lumberton Band Clinic; Matt Holder marched in the Beausoliel Indoor Guard and sang with the Coast Chorale; and Dan Howard was a member of the Mississippi Lion's All State Band.

After years of frustration, coming so close but never quite reaching the mark, the St. Stanislaus Soccer Rockachaws overcame the odds and became the first-ever Gulf Coast team to capture a State Soccer Championship.

Led by the scoring of Casey Swanson with three goals and Justin Wadsworth with two, the Rocks handily defeated Florence 7-1 in the semi-final matchup.

In the championship game, SSCP downed St. Joseph's of Greenville by a score of 3-1, paced by Brad Cannon who scored his 100th career goal. The other goals were scored by Justin Wadsworth and Casey Swanson.

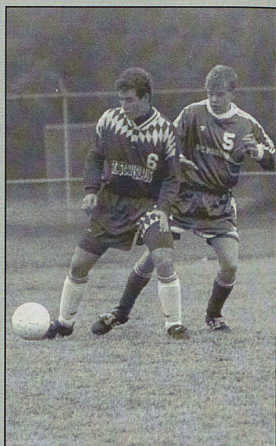

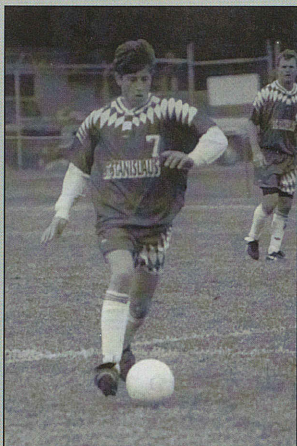

The victory was sweetened even more when Brad Cannon and Casey Swanson were named to the All-Star Soccer team, and Coach Tim Burns was named "Coach of the Year."

The 1995-96 football season produced some positive things toward the goal of a more productive football program. A 3-7 record enabled the football coaching staff to believe that the program is headed in a

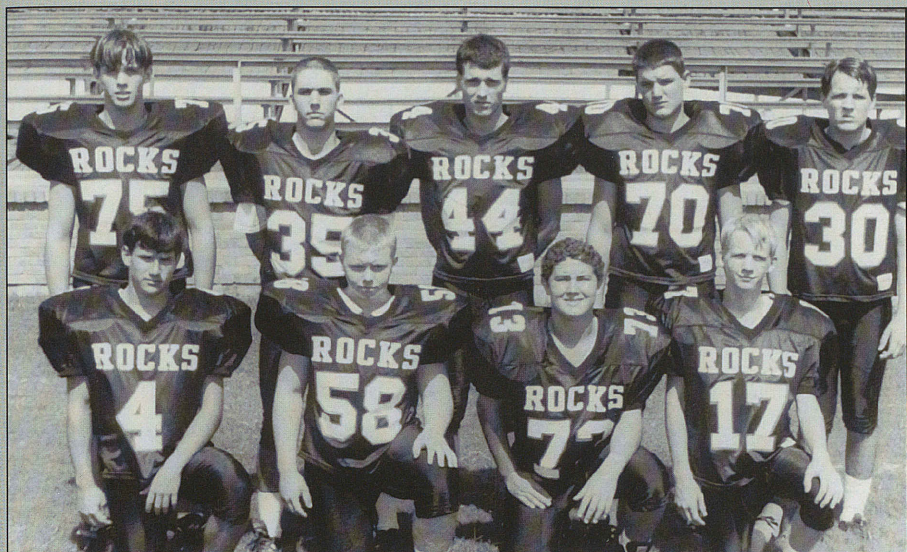

direction that would be a more successful season from one to another.

Coming off a record of 1 and 33 in a period of three years before the 95-96 season, the coaching staff feels the Varsity

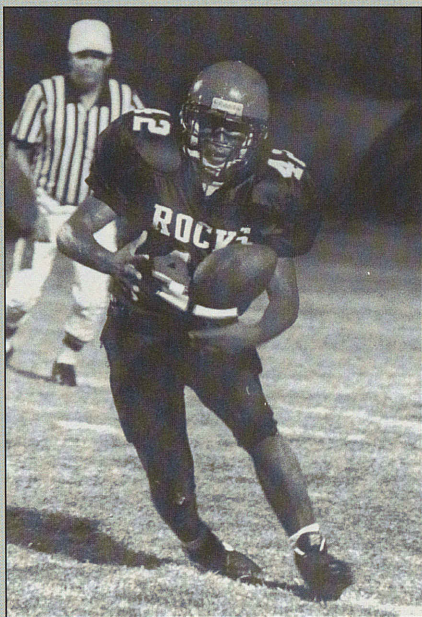

and J.V. are performing better. "I look forward to the 96-97 season," notes head coach Mario Genna, "and I think that our football program will be in a lot better shape toward being competitive."

Baseball

The 1996 St. Stanislaus Baseball season was highlighted by team and individual achievement.

Team accomplishments included wins over 5A schools Biloxi, Gulfport and Harrison Central, a sweep of county opponent Hancock, and a split with city rival Bay High. In the end, the Rocks finished with a record of 12 wins and 13 losses. Included in the losses were one-run defeats by Biloxi and Picayune.

Offensively, the team was led at the plate by David Manasco's fourth best on the coast batting of .452. Others hitting over .300 for the season were Casey Swanson, .339; Jimmy Smith, .333; and Eric Knight, .309. Casey Heitzmann, Correy Gex, Jeremy Penton, and Chris Davis also provided consistent output at the plate.

In other offensive categories, Dennis Knight led with 19 RBI's, and Jeremy Penton, Eric Knight, Chris Davis, and David Manasco were all

a close second with 17. Homeruns were tallied by three Rocks, Eric Knight, Correy Gex and Jeremy Penton. In the stolen base department, David Manasco swiped 15, while Eric Knight and Steven Knight both had 9.

Defensively, SSC was led in the infield by Casey Heitzmann's standout play at shortstop, Chris Davis's sure hands at first base, Jason Chiniche's stability at second and third base, Dennis Knight's tenacity at third base and Jeremy Penton's hustle behind the plate. Dusty Carver's glove was also put to use at shortstop and second base. In the outfield, Eric Knight's range was seen in leftfield, David Manasco's speed blanketed centerfield, and Casey Swanson's strong arm was put to use in rightfield. Jesse Williams and Joey Niolet also provided valuable service in the outfield.

On the mound, Jimmy Smith tur-

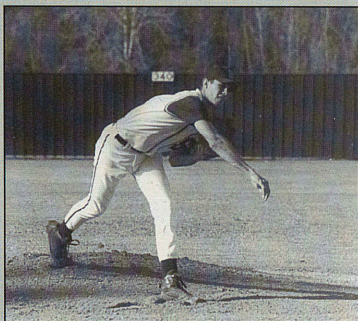

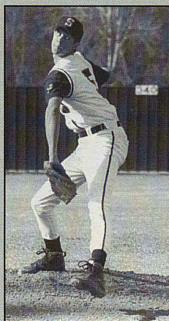

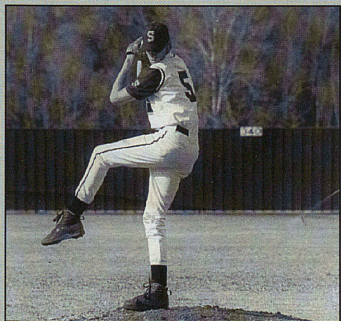

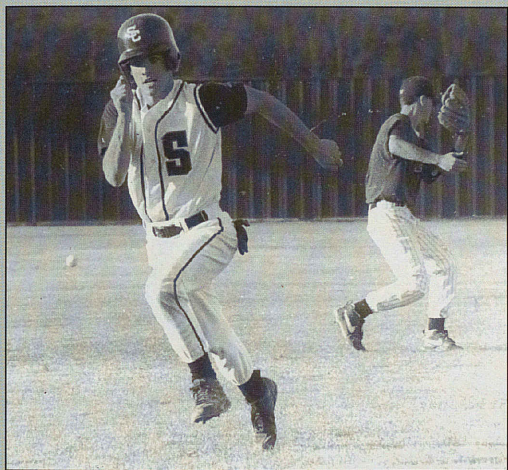

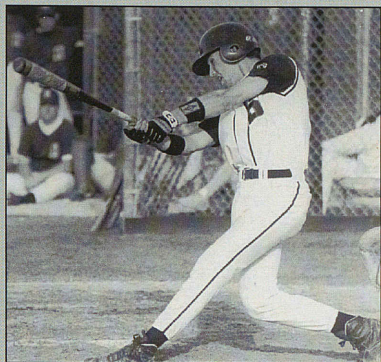

ned in strong performances winning five games while losing just one. Dennis Knight also provided strong pitching sporting a 3-2 record with wins over Hancock and Bay High. Also giving solid outings was Casey Heitzmann who completed the sweep of Hancock as well as knocking off Biloxi.

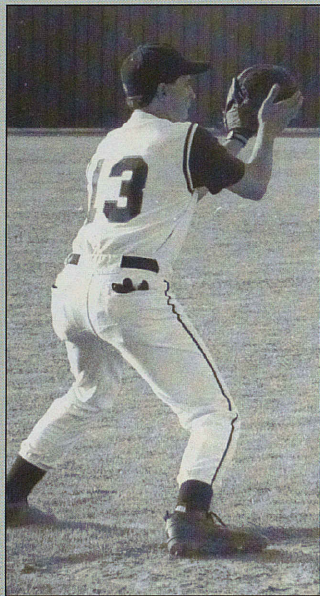

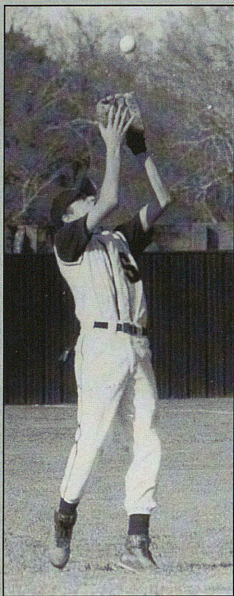

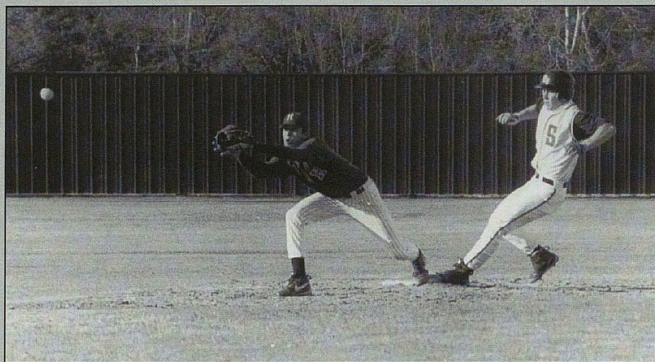

The 1996 Rock-A-Chaws grew as baseball players, but more importantly as young men, and this was evident each time they stepped on the diamond.

It was the fourth straight state tournament for SSC who finished as runner-up to Petal in 1995.

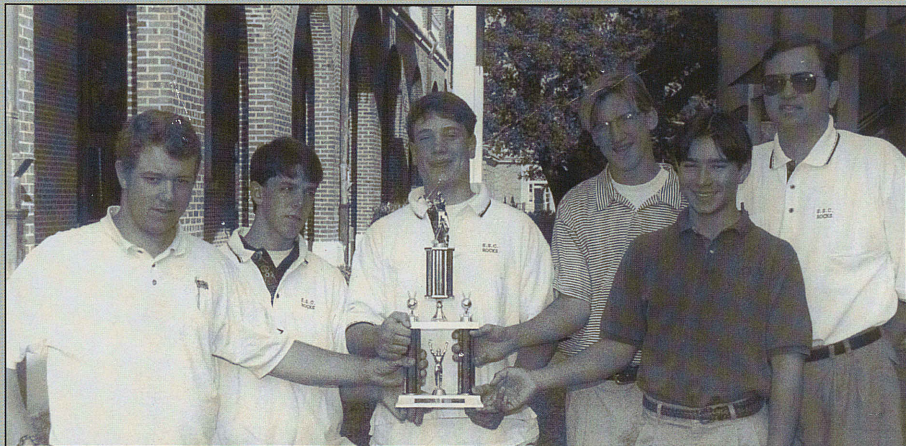

"We played well considering we had three players playing in their first state tournament," noted golf coach Chuck Genin. "I'm proud of the team's effort and attitude in Jackson," he added.

"The coach and team would like to thank Mike Burke, golf pro at PCI and Joel Jacobson, golf pro at the Bridges Casino Magic, as well as parents and booster members for their continued support and success of the team," Genin said.

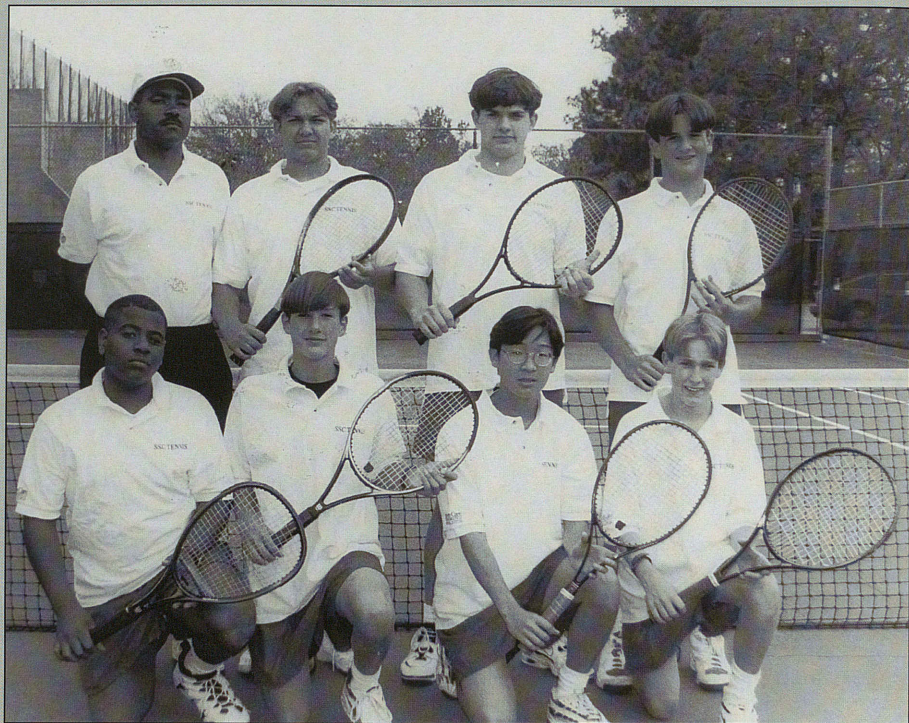

In the state tournament, Andy Jacobson shot 74, 76; Evan Landry, 84, 77; Jeff Eiken, 76, 81; Chris Genin, 82, 77; and Ryan Rupp, 85, 96.

Basketball goes to State

For the first time since 1944, the Rock-A-Chaw basketball team advanced to the State Tournament in Jackson, Mississippi. The Rocks upset the number 4 team in the state, Stone County, to make it to the finals.

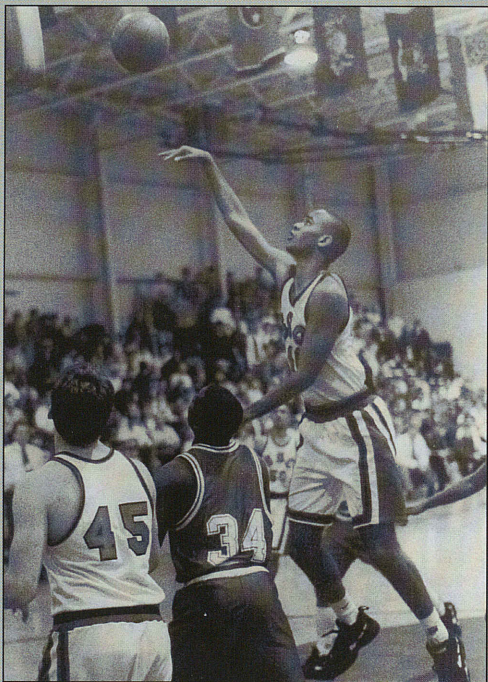

"When you reach the state tournament, you have to consider the season successful," said head basketball coach Jay Ladner. "What makes it gratifying is to realize how much hard work the boys put into accomplishing their goals."

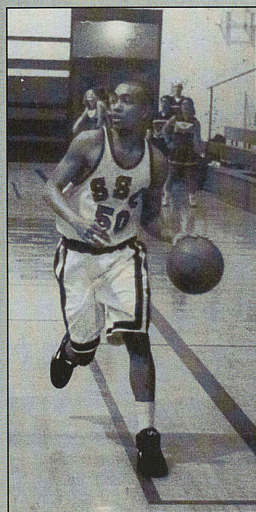

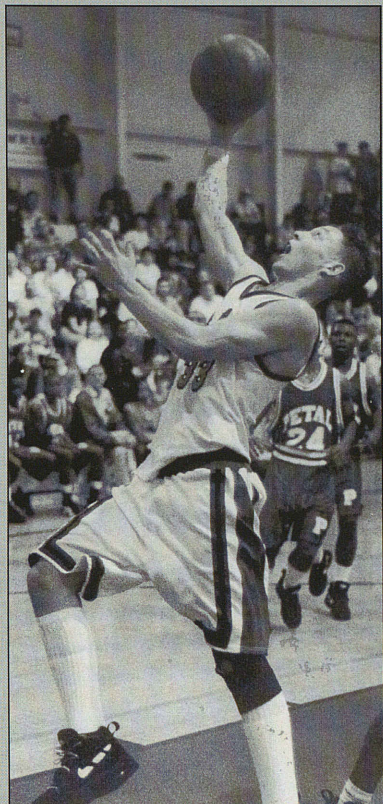

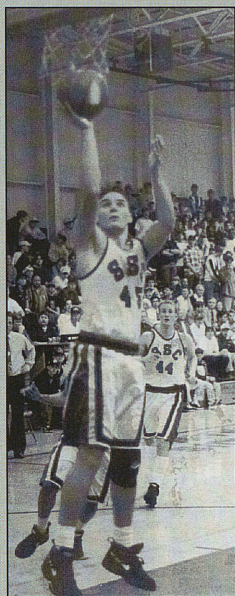

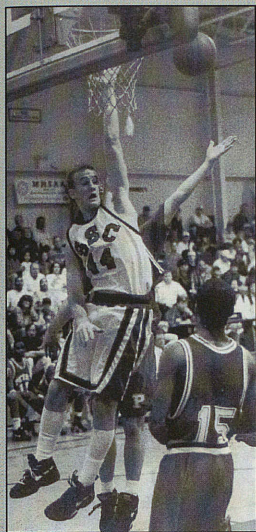

Other accomplishments of this year's team included the Hancock County Tournament Championship, the Mayor's Cup Championship, the South State Consolation Champions, and their third consecutive appearance in the Sweet 16.

"It will be extremely difficult to replace this year's seniors," Ladner said. "Their three-year record was 72 wins and only 34 defeats."

Together with school and self pride, these have helped us the most."
